

CDM Differently: the application of the CDM Regulations 2015 for Landscape Professionals

CPD Presentation by Colin Moore

This seminar is specifically for landscape architects and other landscape professionals. It will cover: a brief introduction to health and safety in the construction and landscape industries; the duties various parties are given by the regulations; developments in design risk management techniques over the past 20 years; what landscape architects need to do when they are, and when they are not, the Principal Designer; and briefly the application of the regulations to landscape and landscape maintenance works.

When: Wednesday 14 March 2018

Time: 6.30-8pm

Location: BCU, Room P230, located in the Parkside Building,
Curzon St, Birmingham B4 7XG

Cost: £5.00 Members, £8.00 non-members and students free.

Refreshments to be provided.

Please book via [Eventbrite link](#)

Colin **Moore** has worked in the landscape industry for over 45 years and was senior partner of Moore Piet + Brookes for 20 years. He is now a consultant landscape architect providing advice to other practices, undertaking his own landscape projects and providing landscape training and teaching particularly on contracts and the CDM Regulations. Colin is a recognised expert in landscape construction and maintenance contracts. He is the Chair and LI's representative on the JCLI Contracts Forum and serves on the LI Technical Committee.
